

Year 1 Summer Term Homework Grid

Please pick from this grid some homework to complete over the course of the Summer Term. This is due the week beginning **Monday 10th July 2023**. The more work they complete, the more house points they get!

Maths Learn the 2, 5 and 10 times tables.	Maths Tell the time on a clock (to an hour or to a half hour.)	Reading Read 3 non-school books this term and tell us about one of them.	Writing Write a postcard from a past holiday.
Writing Write an adventure story.	History Find out about a holiday a family member went on in the past.	Geography Make a rain gauge and measure how much rain we have during Summer Term.	Science Make a booklet of plants you have in your garden or find on a walk.
Science Grow some plants and take notes on what they need to grow and how long they take to grow.	Computing Research King Charles III using the internet. Suggested site: King Charles III facts - National Geographic Kids (natgeokids.com)	British Values Discuss the Rule of Law with your family. Make a poster about it.	Art Find out about an artist of your choice. We are looking at Cecilia Vicuna in school.

Any questions email: year1_wul@emmausmac.com

Many thanks,

Miss Morgan
