

# NEW YEAR, NEW PROJECTS!

Following on from the success of our Summer Fair 2023, we would like to look at what future events we could hold, including completely new ideas and opportunities.

We would just like to host a coffee and cake meeting to talk through what the Community of St Wulstan's could look like this year. What do parents and carers want from the Community? What events and support could be offered ?

We would like to host the meeting on Thursday 8 February at 9.15am in school straight after drop off. As always, no pressure will be put on anyone to commit to anything, the meeting will initially be for your ideas and support. If you are working or unable to attend just please let Mrs Brown know via the school office and we can ensure you are updated.
