

Autumn 1 – We are Geographers: *Celebrating God’s Creation*

This theme is centred around the world we live in. Each year group will explore a different part or different feature of our world at both a local and global level. Geography is the main driver of this theme across the school with close and careful links to other subjects where relevant. Children across the school will experience enrichment opportunities related to their individual topics and will have the opportunity to experience what it is they are learning about.

Year 1:

In our first topic, Me in my World children in Year 1 are called to be geographers. They will explore the town around us by going on a trip to Stourport for their memorable experience. They will learn local history and create their own version of the Penny Black Stamp which was invented by Sir Rowland Hill, a significant local figure.

Theme Impact

In this topic, we will cover Geography, Science, History and Art objectives. The children will start to see themselves as geographers, scientists, historians and artists as we delve into this topic. They will also develop stronger sense of who they are and the area we live in.

Home Learning Project

In order to support your child’s learning at home, it is important that they are reading daily, practising their Year 1 Math’s KIRFS (counting to 50 or above) and practising their spellings. Spelling tests are on a Friday.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

Enrichment

To enrich your child’s learning at school, we will take a walk around our local area as a memorable experience for this topic.

Wider Curriculum

Music is taught by Mrs Mallinson on a Friday afternoon. In Art, we are going to be creating our own stamp designs.

Maths

In Maths, we will be learning Place Value (within 10) & Addition and Subtraction (within 10.)

RE

In RE, we will be learning about Creation.

Computing

In Computing, we will be learning about Online Safety.

Science

In Science, we will be learning all about the five senses. After this, we will start to observe seasonal changes around us and focus on the weather.

PE

In PE, we will be learning and developing fundamental movement skills.
