It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils’ PE and sport participation and attainment by the end of the summer term or by **31st July 2021** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Please note: Although there has been considerable disruption in 2020 it is important that you publish details on your website of how you spend the funding - this is a legal requirement.

N.B. In this section you should refer to any adjustments you might have made due to Covid-19 and how these will influence further improvement.

Key achievements to date until July 2020:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • School achieved School Sports Mark equivalent awards for 2019/20. • Improved knowledge of staff and lunchtime supervisors through CPD opportunities from the Wyre Forest Schools Sports Partnership. • Development of PE curriculum through updating of the school's PE curriculum map and PE expectations in line with the new National Curriculum framework. • Development of School Sports Crew and Jumping Jaxx as opportunities for young leaders. • Extended swimming opportunities for Year 3 and 4. • Increase in available extra curriculum clubs (Pre-Covid). • New Planning and assessment tool introduced and implemented for staff. 	<ul style="list-style-type: none"> • Robust and user friendly assessment tool for PE analysed to update subject action plan. • Continued development of extra curriculum clubs and activities (one for each day of the week). • 'Change 4 life' style club to run throughout the year, targeting varied groups of children per term. • Continue to monitor impact of increased swimming lessons for Year 3 and Year 4 children. • Addressing children in Year 5 and 6 that are yet to meet swimming end of key stage expectations.

Did you carry forward an underspend from 2019-20 academic year into the current academic year?

YES/NO * Delete as applicable

Total amount carried forward from 2019/2020 £7000
+ Total amount for this academic year 2020/2021 £17,510

Covid-19 lockdown, purchases were incomplete or unavailable. The intention is to complete purchases and implement new uniforms once Covid-19 restrictions are eased in September 2020.

Focus will be on addressing missed swimming opportunities for Year 3, 4 and 5. Final decision on this will be discussed once clarity has been provided on Covid-19 safety measures.

Storage unit needed for PE equipment. This needs to ensure equipment does not get damaged but also children can access the equipment independently and safely when required.
