

St Wulstan's Catholic Primary School

Early Help offer

2021-2022

What is Early Help?

Everyone needs help at some time in his or her lives and therefore an ethos of early help is important for any school. At St Wulstan's we recognise the challenges that families face in bringing up children. Early help means that we can provide support as soon as a problem occurs, and therefore stop a situation from getting worse. If this is the case for you as a family, please come and talk to us. The Early Help Offer is an approach, not a service. The "Offer" is for all children and their families. Support can be provided in a range of ways to prevent concerns from growing.

This diagram shows the range of needs at different levels. As a school, we use this graduated approach to make sure we provide the best support for each family and their unique situation.

How does Early Help work?

Our aim at St Wulstan's is to help children and families as early as possible, as soon as an issue arises. Our approach includes prevention as well as intervention, where necessary and appropriate.

We create a graduated approach, as follows.

Stage 3: Where difficulties are more complex or can't be addressed with a straightforward in-school action, we will formulate a Family Plan, which may involve a range of different agencies and will be reviewed regularly.

Stage 2: In addressing your concerns we will talk about what is worrying you and your child; what is working well; what needs to happen. In most cases this can lead directly to in school action or a referral to another agency to address the concern. We will keep talking to you to check how things are going.

Stage 1: The most important element of our Early Help Offer is our open door policy. Staff are happy to talk to parents, almost always on the same day. Come and speak to us about any concern that you have. If you want to discuss something more privately, phone the school office. Kim Savage (Principal), Vice Principal, SENCO and class teachers are all more than happy to make appointments to discuss your concerns.

Key points of contact:-

The Designated Safeguard Lead (DSL) is: Mrs Kim Savage

Governor responsible for safeguarding is: Mrs Angela Randle

Contact details for all the above is via the school office:

Email: secretary@wulsev.worcs.sch.uk **Telephone:** 01299 877808

Training

All staff at St Wulstan's have regular and timely training on a range of issues that are relevant to local, national or international issues and concerns. We are trained to be vigilant but also to be sensitive and discreet.

We know that if we are concerned about a child or family we take our concerns to the DSL (Designated Safeguarding Lead) or one of the DDSLs (Deputy Designated Safeguarding Leads) who are trained and experienced in dealing with such concerns.

All staff take part in annual school training, which contributes to the coordinated approach to safeguarding in our school.

We have staff who are trained and have specific areas of expertise.

- Our safeguarding leads can give advice and support to staff and families and are able to signpost to other agencies for further support
- We have a Higher Level Teaching Assistant (HLTA), who works with groups of children and individuals to develop, for example, social interactions, confidence and self-esteem, behaviour or to compliment the work of other professionals.
- Our Special Educational Needs Co-ordinator (SENCO) is also our Deputy Safeguarding Lead which helps to provide a co-ordinated approach to early help in school

In **Keeping Children Safe in Education 2021**, states that ALL staff should be aware of their local early help process and understand their role in it. In addition, this statutory document makes it clear that any child may benefit from early help, but all school staff should be particularly alert to the potential need for early help for a child who:

- Is disabled and has specific additional needs;
- Has special educational needs (whether or not they have a statutory education, health care plan);
- Is a young carer;
- Is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups;
- Is frequently missing/goes missing from care or from home;
- Is misusing drugs or alcohol themselves;
- Is at risk of modern slavery, trafficking or exploitation;
- Is in a family circumstance present challenges for the child; such as substance abuse, adult mental health problems or domestic abuse;
- Has returned home to their family from care;
- Is showing early signs of abuse and/or neglect;

- Is at risk of being radicalised or exploited;
- Is a privately fostered child.

Most of the time, Early Help is just what we do every day. Our whole school ethos, the day to day conversations between staff and parents, our whole curriculum and the strong relationships that we build with our children form the basis of the support that we offer to the whole school community. To ensure that we can offer the most appropriate support to all of our children and families, staff receive regular training in:

- Safeguarding children (in line with Keeping Children Safe in Education and School Policies)
- Teaching and Learning (in line with school priorities and national agendas)
- SEN provision and supporting disadvantaged learners (in line with the school’s SEN policy and information report and national agendas)
- Emotional Wellbeing and Mental Health (in line with school curriculum and Worcestershire’s Emotional Wellbeing Pathway)

The coordinated offer of Early Help at St Wulstan’s Primary School is outlined in the table below. We believe that early interventions for children or families, in many cases, will prevent children from experiencing harm. We also liaise with other agencies and people within the local community as well as some National organisations that can support children, young people and their families.

Needs	School based support	External Agencies
Accessing learning including Special Educational Needs (SEN)	<p>All staff are available to discuss pastoral issues. In the first instance, parents should approach their child’s class teacher. Support is offered by class teachers and teaching assistants, and senior leaders where appropriate, to ensure that every child can achieve and succeed. Where children have an identified SEN, parents will have regular reviews with class teachers, of targets and provision. The school’s SENCo and is available to meet with parents to discuss children’s needs. Our curriculum and day to day provision is designed to meet the needs of children as individuals and to enable them to thrive in the community. Children receive PHSE lessons throughout Reception to Year 6. These teach our children to handle their emotions and how to stay safe in the physical and online world.</p> <p>Our policies also promote positive outcomes for pupils. These include Behaviour, Safeguarding, Anti Bullying and Teaching & Learning policies.</p>	<p>School engages the support of a range of agencies, to provide additional advice around SEN, including Educational Psychologist, Complex Communication Needs team, Learning Support Team and School Nurse. We also refer to other health professionals, such as Speech and Language Team, Occupational Therapy. SENDIASS offers advice for parents of children with SEN.</p>
	<p>For full information on SEN provision at St. Wulstan’s please see SEN Policy and SEN information report on the school website. Worcestershire’s Local Offer: http://www.worcestershire.gov.uk/sendlocaloffer SENDIASS: sendiass@worcestershire.gov.uk</p>	
Needs	School based support	External Agencies
Emotional Wellbeing and Mental Health	<p>Our school ethos is inclusive and supportive, based on Catholic Values. We have a robust PSHE curriculum which addresses all aspects of emotional wellbeing across the school at an age appropriate level. All children are taught the ethos and skills to participate in Peer Massage in a safe and well monitored environment. In addition, we offer 1:1 emotional support, Socially speaking interventions, Safe Speak Box, opportunities to participate in sports and a range of other enrichment activities focused on wellbeing and relaxation.</p>	<p>Where children’s difficulties are more specific and complex, we can refer to CAMHS Cast, who will offer support to professionals and parents, Reach4Wellbeing who offer direct support through group work, or CAMHS for more specialised individual therapies.</p>

Needs	School based support	External Agencies
Online safety	<p>As a school we recognise the serious risks that online activity can present to our children. We ensure that our children have a good understanding of both the benefits and dangers of the online world, through our teaching of computing and in PSHE sessions. In school, technology is subject to safeguards to ensure that children are as safe as they can be whilst using it. If parents, children or staff have concerns about the use of technologies inside or outside of school, these will be addressed in line with our safeguarding policy. Parents should speak to class teachers or senior leaders if they become aware of any online safety issues for their child.</p> <p>CEOP (Child Exploitation and Online Protection) Centre: a one stop shop for information about online safety: https://www.thinkuknow.co.uk/parents/ PACE (parents against child exploitation) UK :a useful website to engage parents with safety issues. www.paceuk.info/ Educate Against Hate: government website to help parents and professionals understand the risks of children and young people being radicalised by extremists online and how to keep children safe from this. http://educateagainsthate.com/ General Information: www.internetmatters.org</p>	Where misuse of technology presents a safeguarding concern, we will deal with this in line with our safeguarding policy, involving police and children’s services as appropriate.
Needs	School based support	External Agencies
Bullying (including cyber bullying)	<p>Cyberbullying is using the internet, email, online games or any digital technology to threaten, tease, upset or humiliate someone else.</p> <p>All forms of alleged bullying are taken extremely seriously and thoroughly investigated. Support is given to all involved. As a school there is an annual focus on bullying, where the children are educated to “speak out” and recognise all forms of bullying.</p> <p>Bullying UK Childline KidScape: resources provide information on issues surrounding bullying, online and personal safety. They can be used directly by young people and parents, as well as in the classroom within schools and youth organisations. https://www.kidscape.org.uk/resources-and-publications/</p>	If the police consider a message or post to be potentially criminal, they will take appropriate action.
Needs	School based support	External Agencies
Disabilities	<p>St Wulstan’s is a fully inclusive school and we welcome children who have disabilities. The school’s SENCo, and is available to meet with parents to discuss individual needs and the adaptations required. We strive for every child to reach their potential and will tailor the curriculum to achieve individual aims.</p> <p>autismlinks Links to events, services and information of use to families of people with Autism Disability Information Advice Line (DIAL) Worcestershire Website of the disability advice line South Worcestershire; local info on: Mobility; Benefits and Finance; Carers Support and Respite; Community and Voluntary Support; Disabled Children's Services; Education and Employment; Health; Housing; Independent Living; Learning Disabilities; Legal Support; Leisure and Holidays; Learning Disabilities Team that works with people with learning disabilities, their families and the people who support them.</p>	<p>The CwD Social Work Team is one of a range of services that can provide support to children and young people with disabilities and their families. Other services available are those provided by health, education, play and youth services as well as community resources provided by voluntary agencies.</p>
Needs	School based support	External Agencies
Medical conditions	St Wulstan’s aims to ensure that all children with medical conditions, in terms of both physical and mental health, are properly supported in school so that they can play a full and active role in school life, remain healthy and achieve their academic potential. It is crucial that we receive and fully consider advice from healthcare professionals and listen to	In making decisions about the support we provide, relationships are established with relevant local health services.

	and value the views of parents and pupils. Individual health care plans will be used to document advice and procedures.	
Needs	School based support	External Agencies
Wider parenting and family issues	All staff in school are available to support parents with the difficulties they may encounter in family life. Class teachers and our trained HLTA will support children with issues such as parental separation, bereavement, engaging children to complete homework and minor behaviour issues in the home. We are happy to offer individual support and signpost you to other agencies that may be able to help you.	We have a strong relationship with WHP (Wyre Forest and Hagley Project). They have the capacity to work with two of our families at any one time but is also on hand to give other support if necessary. Sometimes our families need sustained support. A Targeted Family Support worker can be requested from the Family Front Door at Children's Services. This support is very popular and effective and there is usually a waiting list. Families can self-refer if they want to but can also request school to do this. Sometimes we may suggest that, this is a route families might want to take.
	Worcestershire Family Information Service (FIS) advisors give impartial information on childcare, finances, parenting and education . FIS are a useful source of information for parents and professionals. They support families, children and young people aged 0-19 years of age (25 for young people with additional needs) and professionals working with these families. They can help link parents up with other organisations that might be able to help or provide the information themselves. http://www.worcestershire.gov.uk/info/20507/childcare/1579/family_information_service
