

St Wulstan's Catholic Primary School

Early Help offer

What is Early Help?

Everyone needs help at some time in his or her lives and therefore an ethos of early help is important for any school. At St Wulstan's we recognise the challenges that families face in bringing up children. Early help means that we can provide support as soon as a problem occurs, and therefore stop a situation from getting worse. If this is the case for you as a family, please come and talk to us. The Early Help Offer is an approach, not a service. The "Offer" is for all children and their families. Support can be provided in a range of ways to prevent concerns from growing.

How does Early Help work?

Our aim at St Wulstan's is to help children and families as early as possible, as soon as an issue arises. Our approach includes prevention as well as intervention, where necessary and appropriate.

We create a graduated approach, as follows.

Stage 3: Where difficulties are more complex or can't be addressed with a straightforward in-school action, we will formulate a Family Plan, which may involve a range of different agencies and will be reviewed regularly.

Stage 2: In addressing your concerns we will talk about what is worrying you and your child; what is working well; what needs to happen. In most cases this can lead directly to in school action or a referral to another agency to address the concern. We will keep talking to you to check how things are going.

Stage 1: The most important element of our Early Help Offer is our open door policy. Staff are happy to talk to parents, almost always on the same day. Come and speak to us about any concern that you have. If you want to discuss something more privately, phone the school office. Kim Savage (Principal), Vice Principal, SENCO and class teachers are all more than happy to make appointments to discuss your concerns.

Key points of contact:-

The Designated Safeguard Lead (DSL) is: Mrs Kim Savage

Academy Committee Member responsible for safeguarding is: Mrs Angela Randle

Contact details for all the above is via the school office:

Email: secretary@wulsev.worcs.sch.uk Telephone: 01299 877808

Training

All staff at St Wulstan's have regular and timely training on a range of issues that are relevant to local, national or international issues and concerns. We are trained to be vigilant but also to be sensitive and discreet.

We know that if we are concerned about a child or family we take our concerns to the DSL (Designated Safeguarding Lead) or one of the DDSLs (Deputy Designated Safeguarding Leads) who are trained and experienced in dealing with such concerns.

All staff take part in annual school training, which contributes to the coordinated approach to safeguarding in our school.

We have staff who are trained and have specific areas of expertise.

- Our safeguarding leads can give advice and support to staff and families and are able to signpost to other agencies for further support
- We have a Higher Level Teaching Assistant (HLTA), who works with groups of children and individuals to develop, for example, social interactions, confidence and self-esteem, behaviour or to compliment the work of other professionals.
- Our Special Educational Needs Co-ordinator (SENCO) is also our Deputy Safeguarding Lead which helps to provide a co-ordinated approach to early help in school

In **Keeping Children Safe in Education 2020,** states that ALL staff should be aware of their local early help process and understand their role in it. In addition, this statutory document makes it clear that any child may benefit from early help, but all school staff should be particularly alert to the potential need for early help for a child who:

- Is disabled and has specific additional needs;
- Has special educational needs (whether or not they have a statutory education, health care plan);
- Is a young carer;
- Is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups;
- Is frequently missing/goes missing from care or from home;
- Is misusing drugs or alcohol themselves;
- Is at risk of modern slavery, trafficking or exploitation;
- Is in a family circumstance present challenges for the child; such as substance abuse, adult mental health problems or domestic abuse;
- Has returned home to their family from care;
- Is showing early signs of abuse and/or neglect;
- Is at risk of being radicalised or exploited;
- Is a privately fostered child.

Most of the time, Early Help is just what we do every day. Our whole school ethos, the day to day conversations between staff and parents, our whole curriculum and the strong relationships that we build with our children form the basis of the support that we offer to the whole school community. To ensure that we can offer the most appropriate support to all of our children and families, staff receive regular training in:

- Safeguarding children (in line with Keeping Children Safe in Education and School Policies)
- Teaching and Learning (in line with school priorities and national agendas)
- SEN provision and supporting disadvantaged learners (in line with the school's SEN policy and information report and national agendas)
- Emotional Wellbeing and Mental Health (in line with school curriculum and Worcestershire's Emotional Wellbeing Pathway)

The coordinated offer of Early Help at St Wulstan's Primary School is outlined in the table below. We believe that early interventions for children or families, in many cases, will prevent children from experiencing harm. We also liaise with other agencies and people within the local community as well as some National organisations that can support children, young people and their families.

	All staff are available to discuss pastoral issues. In the first instance, parents should approach their child's class teacher. Support is offered by class teachers and teaching assistants, and senior leaders where appropriate, to ensure that every child can achieve and succeed. Where children have an identified SEN, parents will have regular reviews with class teachers, of targets and provision. The school's SENCo and is available to meet with parents to discuss children's needs. Our curriculum and day to day provision is designed to meet the needs of children as individuals and to enable them to thrive in the community. Children receive PHSE lessons throughout Reception to Year 6. These teach our children to handle their emotions and how to stay safe in the physical and online world. Our policies also promote positive outcomes for pupils. These include Behaviour, Safeguarding, Anti Bullying and Teaching & Learning policies. For full information on SEN provision at St. Wulstan's please s report on the school website. Worcestershire's Local Offer: http://www.worcestershire.gov.uk School based support Our school ethos is inclusive and supportive, based on Catholic Values. We have a robust PSHE curriculum which addresses all aspects of emotional wellbeing across the school at an age appropriate level. All children are taught the ethos and skills to participate in Peer Massage in a safe and well monitored environment. In addition, we offer 1:1 emotional support, Socially speaking interventions, Safe Speak Box, opportunities to participate in sports and a range of other enrichment activities focused on wellbeing and relaxation.
